

High Impact Presentation Skills course by Mark Butcher Associates

For three days in June (23rd -25th), internationally renowned speaker Mark Butcher will work in Newcastle upon Tyne with just 10 delegates to turn them into confident and competent presenters.

Who is this programme for?

- Anyone whose job involves public speaking in front of a live audience,
- Those in a public role who need to present with credibility and confidence,
- Professionals who need to beat the competition in the jobs market,
- Team and project leaders who need to inspire and motivate their people,
- Anyone who needs to present their cause to funders and win support.

Grants from Train to Gain programme available. To book or find out more please visit our website
